Story

Connect 4 USB-A devices to a notebook with USB-A by using the solid aluminium AC6120 4-Port USB-A 3.2 Gen1 Hub. The AC6120 is a plug and play device and comes with a power supply. The hub supports USB BC 1.2.

Add 4 additional USB-A ports to your notebook

Does your notebook have lack of USB-A ports? The AC6120 extends your notebook with 4 USB-A 3.2 Gen1 ports.

Plug and play: comes with optional power supply

The AC6120 can be used directly on every USB-A port. The enclosed power supply can be used optionally. Each USB-A port has over-current protection. The SuperSpeed USB-A Hub is backwards compatible with USB 3.0 and 2.0 specifications.
